Wilhite, as Administrator CTA of the Estate of Glenna Newport, for Approval of the Acquisition of and to Operate the Newport Resort Water System, and to Transfer or Issue a Certificate of Public Convenience and Necessity*
(TPUC Docket No. 24-00034)

Dear Ms. Cashman-Grams:

Pursuant to Tenn. Code Ann. § 65-4-118(b)(2), the Consumer Advocate Division of the Tennessee Attorney General's Office ("Consumer Advocate") respectfully requests the Tennessee Public Utility Commission ("TPUC") to furnish the following records which the Consumer Advocate believes TPUC may possess that are needed for the Consumer Advocate's analysis in the above-referenced docket. The record requested is as follows:

1. All Annual Reports of the Newport Resort Water System.

The Consumer Advocate notes that it has intervened in this Docket and is just completing discovery. The Administrator has stated in responses to discovery issued by the Consumer Advocate that there are no financial records for Newport Resort Water System since the inception of the system. The Consumer Advocate is requesting this information from the Commission to conduct a complete review of the financial state of the system. Thank you for your time and consideration of this matter. If you have questions regarding this request, please contact me at (615) 360-4219.

Respectfully,

Victoria B. Glover
Assistant Attorney General
