Re: *Petition of Limestone Water Utility Operating Company, LLC to Increase Charges, Fees and Rates, and for Approval of a General Rate Increase and Consolidated Rates* (TPUC Docket No. 24-00044)

Dear Chairman Jones:

The Consumer Advocate submits this letter to make corrections to the workpapers for the Direct Testimony of Clark Kaml in the above-captioned matter. The corrections are as follows:

1. Workpaper file <CONFIDENTIAL CDK workfiles.xlsx>, on tab "3.1 Allocations Water Sewer", [REDACTED]. This change should reflect that both of these cells refer to water adjustments. Currently, Mr. Kaml's formula incorrectly incorporates one water and one wastewater adjustment for a solely water allocation. Please see the attached corrected confidential file to this letter.

Thank you for your time and consideration of this matter. If you have any questions, please contact me at (615) 741-2357.

Respectfully,
