Greetings. As I continue to research water rates near Candlewood Lakes I have 2 more numbers.

City of Hornsby charges \$34/mo up to 1000 gallons with meters.

The community of Grand Valley Lakes charges a \$44.75/mo monthly rate with no meters.

I contacted Limestone Water Utility Operating Company electronically to suggest a face to face with Limestone leaders and the residents of Candlewood Lakes to get a better understanding of this rate increase.

George Gregory
