Comment/Message:	The proposed rate increase by Limestone Utilities is far in excess of what would be considered customary or fair. Please register my opposition to this increase. Anything more than a standard cost of living increase is unsatisfactory. On January 6,2025 I attended a public meeting at Pickwick Landing State Park

Inn. There was probably 150 area customers there and ALL were opposed to the ridiculous proposed rate increase. Please don't allow this unfair rate increase.
