<b>Comment/Message:</b>	Who in there right mind would approve a 280% increase in water and 340% increase in sewage to their constituents? I absolutely unequivocally think you should deny every bit of what Limestone is asking for and send them a message as to Revise their carpet bagging business plan and stop acting like a monopoly!

Why you ask? Let me count the ways:  
— Limestones customer service is horrendous  
— limestones better business rating is an F  
—This increase would lower affected  
neighborhoods property value
