Commission Docket Number:	24-00044
Comment/Message:	Please stop Limestone Water Utility from raising our rates. The Utility is requesting a rate increase that is too high when comparing what we paid with the previous company. Many people in our area are retired and on a fixed income. Please make the Utility listen to reason. It seems like they bought our utility just to raise

our rates tremendously to make a profit, having no consideration for the residents.

Document Title: Limestone Water Utility

Brief Description of Document: Limestone Water Utility Increase
