<b>Comment/Message:</b>	As a retired individual on a fixed income, this type of substantial increase in my water and sewer rates would definitely be a hardship for me. Using the metrics on my previous Limestone statement of 26.85 for water and 26.85 for sewer and a total of 53.70, would be an increase to more than 82.29 for water and

86.64 for sewer for a total of more than 168.93. This is over a 200% increase in the cost of a basic necessity. I am sure the Commission will share in my concerns regarding this matter.
