<b>Comment/Message:</b>	Please be advised that as a retired individual this type of substantial increase in water and sewer rates would cause additional hardship on all retirees. Using this metric on my previous Limestone Water bill of \$26.85 for water and \$26.85 for sewer for total of \$53.70 would increase to more than \$82.29 for water and

\$86.64 for sewer for a total of more than \$168.93. This is more than a 200% increase in the cost of a basic necessity. I am certain the Commission shares my concern in this matter.
