Commission Docket Number:	24-00044
Comment/Message:	I have been informed of the proposed rate increases for water and sewer services for my home in Points of Pickwick by Limestone Utility Services Company. I strongly oppose these proposed rate increases since there has not been any significant improvement of water and sewer infrastructure to justify any increase. I

can understand a 8-10% increase rates if I saw significant infrastructure improvements from Limestone. However, a 225% or more increase is ridiculous and unacceptable.

Document Title: Opposition to Limestone
