Comment/Message:	My family and I have owned a second home on Pickwick lake for over 30 years. Our prayer for each home was to serve as refuge from the distractions of City lifeand too, its expense. Our home has singular focus...loving others, both within our family and those entrusted to our momentary by God. With the national inflation

rate reported at roughly 3%, the proposed increase is egregious. Limestone has also proven to be a poor local provider and partner. Adamantly opposed to this increase.
