Representative Shaw,

The proposed charges, fees and rates increase by Limestone Water is absurd. Our monthly payment would be increased 225%!

I personally did not attend the 30 Jan public

Comment/Message:

meeting but I had a representative attend and she reported that the company did not provide a clear reason why there would be an increase.

I've lived in various major metropolitan areas and the proposed price by Limestone would be by far the highest I've ever had.

Thank you for your time,
Joseph Waddell
