Limestone Water Company has requested approval for an excessive rate increase of over 304% for my combined water and sewer services!
In other words, if I were to use 3000 gallons of water in a month of service I would be billed

Comment/Message:

\$71.72 for the water and \$86.44 for sewer service for a total of \$158.16 compared to the current charges of \$25.75 for the water and \$25.75 for the sewer service for a total of \$51.50.

Please do NOT allow this inflationary, harmful and unjustified rate increase.
