<b>Comment/Message:</b>	Regarding the proposed rate increase by Limestone Water Utility, 300 - 400% increases are absurd and outrageous. I believe we all would agree to a moderate cost of living increase of 5 - 10% but their proposal is ridiculous. They also blindsided us without any notice of increase proposal. Many have second

homes here & would pay a minimum \$165 a month just for water & sewer some months without being there.  
Please advocate for us and vote this proposal down. Thank you for your consideration.
