Re: *Petition of Limestone Water Utility Operating Company, LLC to Increase Charges, Fees and Rates, and for Approval of a General Rate Increase and Consolidated Rates* (TPUC Docket No. 24-00044)

Dear Chairman Jones:

The Consumer Advocate submits this letter to make corrections to the Direct Testimony of William H. Novak in the above-captioned matter based on the submission of the Testimony of David Dittemore Adopting the Direct Testimony of Alex Bradley with Corrections. The corrections flow from an error in Mr. Bradley's originally filed workpapers, which have now been adopted and corrected by Mr. Dittemore and influence the testimony and calculations of Mr. Novak. These changes are as follows:

1. For Question and Answer Nos. 32 and 33 on pages 20-22 of Mr. Novak's Direct Testimony, the Consumer Advocate's revenue deficiency of \$654,305 should be changed to reflect as revenue deficiency of "\$633, 699." This change accounts for the calculation of the revenue deficiency using the Consumer Advocate's pro-forma rate base rather than the Company's unadjusted April 2024 amounts in Mr. Bradley's calculation.

Thank you for your time and consideration of this matter. If you have any questions, please contact me at (615) 741-2357.

Respectfully,
