The Tennessee Public Utilities Commission

RE: PETITION OF LIMESTONE WATER UTILITY OPERATION
COMPANY,LLC TO INCREASE CHARGES, FEES AND RATES
AND FOR APPROVAL OF A GENERAL RATE INCREASE AND
CONSOLIDATED RATES

The suggested increase in the Shiloh Falls Residential area from \$20.03 to \$86.64 per 3,000 gallons, is totally unacceptable? This would be a 400 percent increase, anything more than 5% would be price gouging. (Is this type of increase even legal) This kind of increase sends the wrong message to all utilities, and is not good for the residents of Hardin county or the state of Tennessee.

I would ask the Commission to reject Limestone utilities request.

Thanks for your help.

Sincerely,

Mark Floyd
