To whom it may concern.

Limestone water is asking for you to approve a 280% water bill increase and a 340% sewage bill increase for my neighborhood of Northshore in Savannah Tn. Please oppose and send this greedy, rotten company with a Better Business Bureau rating of F a strong message by denying this rate increase. It is unreasonable and a miscarriage of rationality to our community. It will cause decrease in property values since other communities outside of the reach of Limestone utilities will be preferred over our. This will be the death of many household budgets in this community.

Regards,  
Doug Cassidy
