The Tennessee Public Utility Commission

RE: Petition of Limestone Water Utility Operating Company, LLC to increase charges , fees and rates and for approval of a general rate increase and consolidated rates.

The suggested rate increase in the Shiloh Falls Residential area from 20.03 to 86.64 per 3000 gallons is totally unacceptable. This is a 400 percent increase. This is bad for the residents of Hardin County.

Please reject Limestone Utilities request.

Thanks for your help.
