Docket # 24-00044
February 5, 2025

A suggested increase in the Shiloh Falls residential area and surrounding areas from \$20.03 to \$86.64 per 3,000 gallons is just out of touch with reality. A 400 percent increase is totally outrageous and self serving.

Please review this request from Limestone and look to a fair 5% to 10% increase. We ask for your help in stopping this price gouging and keep this unfair request from moving forward.

I ask you please reject Limestone Utilities request.

Regards
Jan Haynes
