The Tennessee Public Utility Commission

RE: PETITION OF LIMESTONE WATER UTILITY OPERATING
COMPANY,LLC TO INCREASE CHARGES, FEES AND RATES
AND FOR APPROVAL OF A GENERAL RATE INCREASE AND
CONSOLIDATED RATES

The suggested increase in the Shiloh Falls Residential area from \$20.03 to \$86.64 per 3,000 gallons, is totally unacceptable ! This would be a 400 percent increase, anything more than 5%-10% increase, would be price gouging. This kind of increase sends the wrong message to all utilities, and is not good for the residents of Hardin county or the state of Tennessee . I would ask the Commission to reject Limestone utilities request.
Thanks for your help.

Sincerely,

Michael Smelser
