Dear Commissioners,

Thank you for holding the public hearing session at Pickwick, TN on Jan 30, 2025. Approx 120 customers of Limestone Water Utility/CWS attended the hearing.

All customers are unanimously opposed to the petition put forth by Limestone about the general rate increase.

I live in the Northshore community, Aqua Utilities, and it is no secret that Limestone/CWS buys the water we use from the Savannah Utility Department.

The petitioned monthly increase from \$ 25.75 to

\$ 86.64 for the monthly average of 3,000 gal demonstrates price gauging by Limestone, simply because I am not aware of any increase by Savannah Utility Department for their water.

I plead with the Commission to reject the petition of Limestone Water Utilities Operating Company, LLC for Docket No. 24-00044.

Thank you,

Erika Forsbach
