Dear Commissioners,

Thank you for holding the public hearing session at Pickwick on Jan 30 2025. Approx 120 customers of Limestone Water Utility/CWS attended the hearing.

All customers are unanimously opposed to the petition put forth by Limestone about the general rate increase.

I live in the Northshore community, Aqua Utilities, and it is no secret that Limestone/CWS buys the water we use from the Savannah Utility Department. The petitioned increase from \$25.75 to \$86.64 for the average bill of 3000 gal demonstrates price gauging by Limestone, simply because I am not aware of any increase by Savannah Utility Department for their water.

I plead with the commission to reject the petition of Limestone water utilities operating company, LLC.

Thank you for your time,

Karl Forsbach
