Petition of Limestone water utility operating company, LLC to increase charges, fees, and rates and for approval of a General rate increase and consolidated rates.

The proposed rate increase in Shiloh Falls is a 400% increase. Not only is this NOT acceptable it's absurd that

A "public" Utility would even think it's acceptable to ask for such an increase, Shameful!!!!

I ask that YOU who are supposed to represent We the People reject this request!

Bill Baril
