Commission Docket Number:	24-00044
Comment/Message:	I am a part time resident and the proposed rate of increase for water and sewer for a minimum I feel is ridiculous. I love the area and want to keep my home there but I am almost 65 and living on a fixed income and this would be enough extra money out of my pocket to force me to sell. Please don't force an increase on us

of this amount.
