Hello,

We are seriously concerned and opposed to Limestone Water requesting the state utility commission to approve a ridiculously outrageous rate increase for customers in the Counce, Pickwick, and North Shore communities; thereby, overburdening citizens in a generally depressed and impoverished area.

It seems the entity asking for 157% - 200% increase is initiating an effort to take advantage of short term tourism while consequently punishing locals who live near or below poverty levels.

Kind regards,  
John Williams
