The TN Public Utility Commission has a stated Mission to provide an efficient forum for the filing, investigation and hearing of consumer complaints against regulated, investor owned utilities.

Comment/Message: I have such a complaint. I just became aware

that Limestone water is requesting a 246% and 340% increase in Water and Sewer rates, respectively. Please do not allow them to pass the cost of their obvious corporate mismanagement to us the consumers. Please do your job to protect us.
