Comment/Message:	<p>We own [REDACTED] [REDACTED] I'm astounded that only a few years after the purchase of Aqua Utilities that an experienced water system company as Limestone supposedly is would have the temerity to ask for such an increase. Sounds to me like</p>

Limestone failed to perform a proper due diligence examination of the age and condition of Aqua's infrastructure, and are attempting to lay the cost of that failure in total upon it's users with a 200+% . Please deny their request.
