Comment/Message:	I was first notified of the request for rate increases in a letter received 2/10/25, which did not clarify the proposed increases or where to find them. I would like to provide my strong point of view that the transparency and communication related to this increase were completely inadequate and kept most customers

from being aware of them prior to the TCUP Hearing on 2/18. I urge TPUC to deny the increase and direct Limestone to request future increases after proper customer communication.
