To whom it may concern:

The suggested increase in the Shiloh Falls Residential area from \$20.03 to \$86.64 per 3,000 sitaly unacceptable This would be a 400 percent increase, anything more than 5%-10% incula be price gouging This kind of increase sends the wrong message to all utilies, and is not for the residents of Hardin county or the state of Tennessee.

I would ask the Commission to reject Limestone utilities request.
