Email Address:	[REDACTED]
Commission Docket Number:	23-00044
Comment/Message:	As a homeowner in the points of pickwick development, a Limestone water/sewer customer, I object to such a large and rapid increase in rates to both water and sewer. This abrupt spike will threaten my ability to provide my family clean water and compromise me being able to safely process waste water from

my property. Please do not allow Limestone water to move forward with the current rate increase plan. Best, Chris Keefer
