<b>Comment/Message:</b>	<p>We have received notice of a proposed rate increase that Limestone Water Company wants to levy on its customers. The magnitude of this increase seems unreasonable by any standard. Based on what I've been told, this change could affect our bill by as much as 300%. I understand inflationary changes over time, but</p>

tripling our charges is a shock! I appreciate the commission and its process to review such rate increases and I trust you will handle this matter with appropriate oversight.
