<b>Commission Docket Number:</b>	24-00044
<b>Comment/Message:</b>	As residents and tax payers in the state of Tennessee, I am shocked at the notion that Limestone Water would even consider tripling the cost of our water and sewage. A expected CPI increase would be acceptable. This is thievery and a highjack move on consumers. This has to be stopped!! We as a group will

fight this with everything we've got. Please rule on our behalf of this extremely unfair price hike.
