Comment/Message:	<p>I and my neighbors in Points of Pickwick are VERY concerned about the exuberant fees that CSWR is trying to raise our water and sewer costs to. Often there are days that we can't even drink the water, due to high chemical levels in the water. I and all of my neighbors are extremely in OPOSITION to these hikes in</p>

service. CSWR should NOT be allowed to raise the price of the minor service we are receiving.
