**Comment/Message:**

You would think that before axquiring a large, expensive water service a thorough inspection would take place for infrastructure, personnel, etc expenses. THAT is the responsibility of the buyer not the homeowners. And in such manner repairs needed are and always have been anywhere I have lived the owning companys

expenche. Homeowners have always been responsible for damages INSIDE the meter, the house side. Just like a house you buy without inspection we own it and its inherant problems.
