Email Address:	[REDACTED]
Commission Docket Number:	23-00044
Comment/Message:	As a homeowner affected by this increase, I have serious regulatory concerns that a utility company has the ability to propose such extreme rate increases, ours is over double the current rate, with no limit on the time or frequency and there being very little if any recourse I have as a homeowner. This is the

exact scenario in which our governing bodies need to step up and protect their citizens.
