**Comment/Message:**

I attended a public meeting (1/30/25) and a Zoom conference call on (2/12/25) to learn more about the proposed rate increase requested by Limestone Water. I knew very little about the company before these meetings but I now know how little respect and trust their customers have in this utility company. I have

never known of a company to be so low rated and thought of and still be in business. I heard their BBB rating is an "F". I guess having a captive customer proves you can do what you want.
