Comment/Message:	<p>The River Rest community strongly opposes the proposed 106% sewer rate increase. Limestone Water's negligence regarding the raw sewage spill on our soccer field six weeks ago is a serious health concern. We demand a full investigation, immediate remediation, and accountability. This rate increase-- an obvious</p>

profiteering attempt-- is unconscionable given their demonstrated negligence and lack of community care. We will be investigating all our legal avenues. The TPUC must reject this increase
