Comment/Message:

I was on the River Rest HOA board when Limestone bought the treatment facility in our neighborhood. I met with their reps many times and they said that they would like to be good neighbors; fixing a road that the previous owner damaged and being open about upgrades and rate changes. At that time, they told us to expect

a rate increase of about 5% within the next 3 years. When choosing an amount for this docket, I recommend holding them to their word and approving just such a reasonable increase.
