Email Address: [REDACTED]

Commission Docket Number: 24-00044

Comment/Message:

I strenuously OBJECT to the 106% sewer increase Limestone Water is seeking to impose on the [REDACTED]. They have been poor stewards of the sewer treatment facility including sewer overflow into the community soccer fields, discharge into the scenic Harper's River, and severe damage to the access road on

River Rest property. This company does not warrant the excessive rate hike they are seeking!
