Email Address:	[REDACTED]
Commission Docket Number:	24-00044
Comment/Message:	<p>I'm a resident in the Points of Pickwick subdivision and would like to voice my concerns about this proposed rate increase to our water consumption. This rate increase is unrealistic. The cost of goods and services should be comparable to other goods and services in your surrounding area. Just like</p>

getting comps for evaluating a homes worth.
This proposal is price gouging and should not
be allowed.
