Comment/Message:

We are NOT in favor of this increase. Similar to the lack of TIMELY communication for these hearings, not much has been conveyed about what “improvements” have occurred to warrant this 106% increase. When Limestone purchased the service 2 years ago they said a minimal increase of 5% would occur. If there have been

“improvements,” why is our road still damaged after 2 years? Why was there a sewage overflow on the soccer field 6 weeks ago? Please deny their request & hold them accountable.
