Comment/Message:

I received a letter on 2/11/25 about rate increases through Limestone Utility. It did not state the rate increase, but notified about a zoom meeting that had already occurred when I opened the letter. Talking with neighbors, it sounds like they're asking to more than double current rates. This is against what they told the

community at the 2 meetings I attended in 2022. Limestone hasn't improved our facility nor followed through with repairing the road they damaged. Please deny their request.
