Comment/Message:	Thought I should make two more comments about the Limestone rate request. One, those customers in the former Aqua Water/sewer service area are primarily composed of summer vacation homes. Thus, some 60% of these homes are vacant 5 to 6 months and do not use any water services for long periods of time.

Second, these three Pickwick Lake developments are adding more houses every year so Limestone's income will grow every year for the fore seeable future. 15 plus under construction now.
