Comment/Message:

I am a resident in the [REDACTED] of which Limestone Water Utility wants to increase our sewage rate over 100%. I oppose the rate increase as we haven't been provided sufficient notice for comment/review. There is a lack of accountability for repairs and upgrades and there has been environmental damage from

mismanagement of the facility at Grassland. I am requesting an extension from the committee for review and support the AG's office to advocate for protection of our our community.
