| Comment/Message:          | Hello. Limestone’s proposed increase of over 100% is unfair to residents. Although it appears this has been in the works for some time, residents were not given sufficient notice of their intentions to exorbitantly increase fees. A rate increase of this amount is unprecedented in this neighborhood. The upkeep provided by |

Limestone has been minimal, and the spillover into River Rest Estate's property seems negligent and dangerous. This company does not deserve to fritter away more of our money.
