Comment/Message:

I am a resident of [REDACTED] where Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose the amount of this rate increase on the basis that there has been a lack of accountability for repairs and upgrades and there has been environmental damage from mismanagement of

the facility at Grassland. I am requesting an extension from the committee for review of compliance and to advocate for the protection of our community from price gouging and destruction of habitat.
