Comment/Message:

I am a resident of [REDACTED] where Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose this increase on the basis that we have not been provided sufficient notice and the Grassland facility is in disrepair due to mismanagement resulting in environmental damage. I request an

extension for review and I support the Attorney General's office to advocate for the protection of our community from racketeering, price gouging and destruction of habitat.
