**Email Address:** [REDACTED]

**Commission Docket Number:** 24-00044

**Comment/Message:** I'm resident in the [REDACTED] of which Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose this because we have not been provided sufficient notice for comment or review. There has been a lack of accountability for repairs and upgrades + severe environmental damage from

mismanagement of the facility. Requesting an extension from the committee for review of compliance + protection of the Atty Gen from racketeering, price gouging, destruction of habitat
