Email Address:	
Commission Docket Number:	24-00044
Comment/Message:	Hello, I am a resident in the of which Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose the amount of this rate increase on the basis that we have not been provided sufficient notice for comment or review. More importantly, there has been a lack of

accountability for repairs and upgrades and there has been environmental damage from mismanagement of the facility at Grassland. I am requesting an extension from the committee.
