Comment/Message:

I am concerned that Limestone has not completed or scheduled the work to update the facility. In a meeting in Aug 2023, Limestone conducted a meeting at River Rest to discuss their purchase and plans. We were told that we were rates would increase in the next 3 years not to exceed 20%. We were also told that

upgrades would start within 9 months and would continue for 24 months. There was an agreement made with the State of TN to complete within 24 months. Obviously, this will not happen.
