Comment/Message:	I oppose the 100%+ rate increase Limestone Water Utility is requesting. We haven't been provided sufficient notice for comment/review and there's a lack of accountability for repairs and upgrades. I have witnessed run-off from the facility flooding into our soccer fields, which is unacceptable and dangerous to the adjacent

Cartwright Creek and Harpeth River. I'm requesting a 30 day extension for review to protect our community from racketeering, price gouging, and the destruction of habitat.
